Memorandum of Understanding

Between

Vande Mataram Degree College, Dombivali

And

Global Society for Basic and Applied Science (GSBAS), Mumbai

This agreement is made on 15th February 2023, between Vande Mataram Degree College, Dombivali and Global Society for Basic and Applied Science (GSBAS), Mumbai. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each Institution. Such interaction may include cooperation in a variety of joint academic and research activities such as:

- Joint research activities and projects' including work by Post- graduate, under graduate Students at the partner institutions;
- Use of Well- Equipped labs and other research facilities;
- To jointly organize seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty to participate therein;
- To jointly organize Hands on training workshops.
- Visits by faculty, professional staff, and students.

Both the institutes stated above further agree that detailed terms and conditions that guide each activity identified above will be separately determined and agreed upon by the two institutions. These terms shall include a technical description of the proposed activity, financial arrangements, and person(s) responsible for its implementation, etc.

Cooperation in Education and Research

- In order to facilitate student exchanges between Vande Mataram Degree College, Dombivli, and Global Society for Basic and Applied Science (GSBAS), Mumbai.
- Nigdi the following section provides general procedural information under which the exchange of students between the two institutions will take place.
- Specific procedures, requirements and duties of the parties in connection with student exchanges shall be set forth in a separate written program agreement to be executed by the parties.
- Cooperation and exchanges may take place with post-graduate, PhD students. Each exchange may be for the duration as per requirement.
- If two faculty members from each institution are engaged in collaborative research projects, doctoral students at one institution may visit and work in the lab of the faculty member at the other institution and incorporate the work done as part of their dissertation.

DURATION AND EVALUATION:

- This MoU shall be in effect for a period of Three (03) years from the last date of signature. Either party may request termination of this agreement, in writing, ninety (90) days prior to the proposed termination date.
- Amendments to this MoU may be requested, in writing, by either party and approved by the authorized signatories.
- The parties to this MoU undertake to treat as CONFIDENTIAL AND PRIVILEGED information of the other institution, which is so classified in advance. The terms of confidentiality and mode of disclosure shall be as per mutually acceptable Terms.
- This MoU shall be identified as the parent document of any program agreement executed between the parties.

This MoU is signed subject to approval of the respective academic/administrative bodies.
