This MOU is entered into on the One years from 2023-24 by JMF's Vande Mataram Degree College (hereinafter called VMC) situated at Dombivli-West, Affiliated to University of Mumbai and C. D. Deshmukh competitive examination center. Degree college students should be introduced to competitive examination as well as UPSC, MPSC, Railway, Direct Services of state govt., Banking, Post Office, SSC etc. The main objective of this MOU is to make a better preparation for the competitive exams and to develop the personality of the students and to make the students feel social responsibility and become a good officer while working in the society.

The as for said Institutes are here after referred to individually as institute and collectively as Institutes.

1. Objectives of MOU:

A) The objectives of MOU are:

1. Preparation for Competitive Exams: The primary objective of this MOU is to prepare students for various competitive examinations such as national-level entrance exams for civil services exams, banking exams, UPSC, MPSC, SSC, etc.

2. Enhancing Subject Knowledge: The MOU'S aims to strengthen the students' understanding of the subjects included in the competitive exams' syllabi. This involves comprehensive coverage of relevant topics, providing study materials, and conducting regular classes to clarify doubts.

3. Test Series and Mock Exams: Regular test series and mock exams are conducted to simulate the actual exam environment. This helps students improve their time management skills, identify weak areas, and gain confidence.

4. Personalized Attention: Competitive centers often have experienced faculty who can provide personalized attention to

students, understanding their strengths and weaknesses, and tailoring the approach to suit individual needs.

5. Developing Problem-Solving Skills: Emphasis is given to developing critical thinking and problem-solving abilities, as competitive exams often require quick and accurate decision-making under pressure.

6. Building Exam Strategies: The center helps students develop effective strategies for tackling different types of questions, managing time during the exam, and maximizing their scores.

7. Motivation and Support: Competition can be intense, and students may face stress and anxiety. The center aims to motivate and support students throughout their preparation journey.

8. Providing Latest Updates: Competitive exams often undergo changes in their patterns or syllabi. The center ensures that students are up-to-date with any such changes and modifications.

9. Career Counseling: Alongside exam preparation, students may receive career counseling to explore different options available to them based on their strengths and interests.

10. Success Rate Improvement: The MOU'S ultimate goal is to improve the overall success rate of students in competitive exams, helping them secure admission to prestigious institutions or secure desired job positions.

11. Creating a Competitive Environment: Being part of a competitive center provides students with a peer group that shares similar goals. This creates a healthy competitive environment where students can learn from each other.

B) Participating in seminars, workshop, conferences and lectures

C) To exchange faculty and students between the Institutes.

D) To promote and enhance Academic Interest between VMC and C. D. Deshmukh competitive examination center.

E) The exchange of academic materials and publications

F) Conducting guest lectures

G) To provide advice for implementation of quality of education at VMC and C . D. Deshmukh competitive examination center

2. Technical areas of collaboration:

a) Provide necessary support for documentation of programs conductededthorough this MOU

b) Provide necessary help in organizing workshops/conferences and personality development programs between Institutes for enhancement of skills in respect of faculty, staff and students.

c) Provide necessary support for establishment of video satellite link and assistance in development of e-class classrooms, labs, curriculum, establishments of research labs, training and placement and library, etc. at VMC and C. D. Deshmukh competitive examination center

d) Usage of academic infrastructure of Institutes' students and faculty members.

e) Provide academic interaction by delivering special lectures at VMC and C. D. Deshmukh competitive examination center on relevant topic.

f) To facilitate the Moc interview training for students.

g) Guidance for enhancement in infrastructural development of Institutes.

3. Proposed modes of collaboration:

VMC and C. D. Deshmukh competitive examination center proposed to collaborate through the following:

a) Co-operation and promotion of education and training in areas of mutual interests.

b) Any other appropriate modes of interaction agreed upon between VMC and

A specific plan will be worked out by the Institutes depending upon availability of resources. A specific agreement will be entered into for each activity.

4. Terms and Conditions:

a) For continuing education to teachers and students, the financial arrangements will be made as per the mutually agreed terms.

b) For the visits related to advice and consultancy, travel and other expenses of both the faculty and staff shall be reimbursed on mutually agreed terms.

c) The faculty members and students can use the library facility and exchange the interests for the same.

d) Usage of academic infrastructure can be allowed for limited period subject to its availability, approval of head of the facility / department and Institute norms.

e) Both Institutes agree to help, identify and invite and the faculty members and researchers from the

other Institutes to participate in conferences, workshops and short- term courses.

f) This MOU may be amended, renewed and terminated by mutual written agreement of the Institutes at anytime.

g) Either institute shall have the right to terminate this MOU upon 60 days prior written notice to the other institute.

h) On mutual consent of both the Institutes, review meetings will be conducted once in three months with co-coordinators.

5. Confidentiality:

a) The Institutes agree to hold in confidence all information/data designated by the Institutes as being confidential which is obtained from either Institute or created during the performance of the MOU and will not disclose the same to any third party without written consent of the other Institute.

b) The above confidential clause under this MOU excludes the information/data possessed by either Institute before entering into the MOU or independently developed and/or information already available through public domain.

6. Duration of MOU:

This MOU, unless extended by mutual written consent of the Institutes, shall expire in One year (i.e. 2023-24) years after the effective date specified in the opening paragraph. However, on review, the MOU shall be extended for another years by mutual consent.

7. Coordinators:

Both Institutes will designate persons who will have responsibility for co-ordination and implementation of this agreement.

8. Intellectual Property Rights:

The Intellectual Property Rights (IPR) that arise as a result of joint research and collaborative activity under the agreement will be worked out on a case to case basis and will be consistent with officially laid down IPR policies of the two Institutes.

9. Signed in Duplicate

This MOU is executed in duplicate with each copy being an official version and having equal legal validity.

By signing below, the Institutes, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

IN WITNESS WHEREOF the parties hereto have hereunto set and subscribed their respective hands on the day and the year first herein above written.
