D. To collaborate in teaching, research and development, and consultancy studies in fields of mutual interest.
E. To do exchange of academic materials and publications.
F. To function for development of mutual interests and engage activities for enhancement of quality education.
G. To promote research/skill development and the seven LOSD initiatives activities between the parties.
H. To engage in mutual consultancy in the area of education and skill development of the Parties.
I. The parties will cooperate in connecting individuals in India and around the world in order to introduce programmes.
J. Both Parties with cooperate with each other in providing opportunities to observe events.

2. Technical areas of collaboration:

A. Provide academic interaction between the parties by delivering special lectures on relevant topics.
B. The Parties will provide necessary help in organizing workshops / conferences and personality development programmes between the organisations for enhancement of skills in respect of learning level with an emphasis on higher education and above.
C. Provide necessary support for virtual programmes
D. To provide training to mentors of the organisation for continuous improvement.

3. Proposed modes of collaboration:

The Parties have proposed to collaborate through the following:

A. Co-operation and promotion of education, skill development and training in areas of mutual interests.
B. Any other appropriate modes of interaction agreed upon between the Parties.
C. A specific plan will be worked out by the organisations depending upon availability of resources and need for that.

4. Terms and Conditions:

A. For continuing education and skill development to interested individuals, financial arrangements will be made as per the mutually agreed terms.
B. For physical visits related to education and skill development and associated initiatives; travel and other expenses shall be reimbursed on mutually agreed terms.
C. Both Parties agree to help, identify and invite members, researchers from the other Institutes to participate in conferences, workshops and short- term courses.
D. This MOU may be amended, renewed and terminated by mutual written agreement of the parties at any time.

E. Either party shall have the right to terminate this MOU upon 60 days' prior written notice to the other party.
F. On mutual consent of both the parties, review meetings will be conducted once in six months with individuals concerned.

5. Confidentiality:

A. The Parties agree to hold in confidence all information/data designated by the Institutes as being confidential which is obtained from either Institute or created during the performance of the MOU and will not disclose the same to any third party without written consent of the other party.
B. The above confidential clause under this MOU excludes the information/data possessed by either Institute before entering into the MOU or independently developed and/or information already available through public domain.

6. Duration of MOU:

This MOU, unless extended by mutual written consent of the Parties, shall expire in Three years, after the effective date specified in the opening paragraph, that is 2024 -2027. However, on review, the MOU may be extended for another Three years by mutual consent.

7. Intellectual Property Rights:

The Intellectual Property Rights (IPR) that arise as a result of joint research and collaborative activity under the agreement will be worked out on a case to case basis and will be consistent with officially laid down IPR policies of the two Parties.

8. Signed in Duplicate

This MOU is executed in duplicate with each copy being an official version and having equal legal validity. By signing below, the Parties, acting by their duly authorised officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.
