Subject: Collaboration for Industrial Visits and RoboAI Project

Introduction:

fierceglobal.in, a leader in talent transformation and industry-academic partnerships, and Vande Mataram College, an institution dedicated to academic excellence, agree to collaborate in enabling students to experience real-world industry exposure and participate in cutting-edge project-based earning through the RoboAI initiative. This collaboration aims to equip students with practical competencies aligned with the current and future needs of the job market.

Objective of the MoU

The objective of this MoU is to establish a formal collaboration between the Training Partner and the Institution to:

1. Facilitate industrial visits for students across various domains and sectors.
2. Engage students in fierceglobal's RoboAI Project to foster innovation, AI readiness, and hands-on learning in emerging technologies.

Roles and Responsibilities

fierceglobal.in (Training Partner):

- Organize and execute industrial visits, handling scheduling, permissions, and logistics.
- Deliver orientation and debriefing sessions to ensure structured learning around each visit.
- Include students in the RoboAI Project, offering mentorship, project resources, and domain exposure.
- Maintain safety protocols, industry compliance, and student engagement standards throughout.

JMF's Vande Mataram Degree College of Arts, Commerce & Science (Institution):

- Nominate eligible students and coordinate faculty participation for the visits and project.
- Provide necessary infrastructure and approvals for training-related activities.
- Support active student involvement in RoboAI, including on-campus facilitation when needed.
- Ensure student discipline, decorum, and collaboration throughout the program.

Terms & Conditions

1. **Duration:** This MoU shall be valid for two academic year from the date of signing, with the option for renewal by mutual agreement.
2. **Costs & Logistics:** Travel, meal, or accommodation costs for industrial visits may be borne by students unless otherwise agreed.
3. **Confidentiality:** Both parties agree to protect proprietary data and institutional/student confidentiality at all times.
4. **Liability:** Each party assumes responsibility for its own team and operations; no liability transfers unless formally agreed.
5. **Termination Clause:** Either party may terminate the MoU with 30 days' written notice, subject to closure of ongoing activities.

Dispute Resolution

Any disputes arising from this MoU will be resolved amicably through discussion. If unresolved, the issue will be subject to arbitration under the jurisdiction of Thane, Maharashtra.

Validity of the MoU

This MoU will remain valid for a period of 2 years, starting from the date of signing, and may be renewed upon mutual consent.

Conclusion:

This partnership reflects the mutual commitment of fierceglobal.in and JMF's Vande Mataram Degree College of Arts, Commerce & Science to bridge the gap between academia and industry, and to cultivate future-ready professionals through immersive learning and innovation projects.
