1. PURPOSE OF THE MoU

The Parties wish to collaborate in the area of education, emerging technologies and career awareness with the objective of providing faculty members, students and parents with meaningful exposure to Artificial Intelligence ("AI"), emerging technologies, future career opportunities and industry requirements.

Through this collaboration, the Parties intend to organise knowledge-sharing and awareness initiatives that encourage learning, innovation, career exploration and informed decision-making among students and faculty members.

2. AREAS OF COLLABORATION

The Parties propose to collaborate on the following initiatives:

2.1 Faculty Development Program

The Parties may organise a Faculty Development Program ("FDP") for faculty members covering areas such as:

a) Artificial Intelligence and emerging technologies;

b) applications of AI in education;

c) emerging tools and technologies relevant to teaching and learning;

d) changing industry and educational trends;

e) responsible and effective use of AI; and

f) practical applications and demonstrations.

The detailed content and schedule of the FDP shall be mutually discussed and agreed upon by the Parties.

2.2 Student Awareness Session

The Parties may conduct an interactive session for students on Emerging Trends in Artificial Intelligence.

The session may broadly cover:

a) emerging developments in Artificial Intelligence;

b) the impact of AI on different industries;

c) future career opportunities;

d) changing industry requirements;

e) skills that students may develop for future careers; and

f) opportunities for continuous learning and upskilling.

The objective shall be to provide students with greater awareness of the changing career landscape and encourage them to prepare for future opportunities.

2.3 Career Clarity Session for Parents and Students

The Parties may jointly organise a Career Clarity Session for students and parents.

The session is intended to provide an interactive platform where students can reflect upon and understand their:

a) interests;

b) strengths;

c) capabilities;

d) areas of curiosity; and

e) career aspirations.

The session may also help parents understand emerging career opportunities and the changing skill requirements across different industries.

2.4 Mock Assessment

Following the Career Clarity Session, the Parties may facilitate a Mock Assessment for participating students.

The assessment may be designed to provide students with an opportunity to understand their aptitude, interests and relevant strengths and to provide indicative insights that may assist them in exploring potential career paths.

The Mock Assessment shall be conducted as an awareness and guidance initiative and shall not be treated as a final determination of a student's career suitability or future career outcome.

The duration of the session shall be approximately one (1) hour, including the Mock Test. In case a longer duration is required, the same shall be mutually discussed and decided by the Parties on a case-to-case basis. charges are applied for full day sessions.

3. ROLE OF PARTY A

Party A may:

a. facilitate suitable arrangements for conducting the programs at its premises, where applicable;

b. provide reasonable logistical support for the conduct of the sessions;

c. nominate a representative for coordination with Party B; and

d. extend such other reasonable support as may be mutually discussed between the Parties.

e. provide suitable speakers, trainers, mentors or facilitators for the proposed initiatives;

f. assist in designing the content and structure of the sessions;

g. conduct the SDP, awareness sessions and career guidance sessions in an interactive and engaging manner;

h. facilitate the Mock Assessment, where agreed between the Parties; and

i. share relevant learning resources, insights or guidance material with participants, wherever appropriate.

4. ROLE OF PARTY B

Party B may:

a. permit and facilitate participation of its students in the SDP, awareness sessions, career guidance sessions and other initiatives proposed under this MoU;

b. allow eligible students to participate in the Mock Assessment, as mutually agreed between the Parties;

c. communicate the schedule, participation requirements and other relevant information regarding the programs to the students;

d. facilitate necessary coordination with students for their participation in the proposed programs and assessments; and

e. provide reasonable cooperation and support required for the smooth conduct of the programs.

5. COORDINATION

The Parties shall nominate representatives who shall coordinate with each other for planning and implementation of the initiatives.

The dates, venue, mode of delivery, number of participants and other practical aspects of each program shall be mutually discussed and finalised by the Parties from time to time.

6. CERTIFICATES

Where mutually agreed, the Parties may provide certificates of participation or completion to faculty members and/or students participating in the programs.

The nature and format of such certificates shall be mutually decided by the Parties.

7. KNOWLEDGE AND RESOURCE SHARING

The Parties may share relevant educational resources, knowledge, insights and best practices with each other for the successful implementation of the initiatives contemplated under this MoU.

Any materials shared by either Party shall continue to belong to the respective Party, and this MoU shall not be construed as transferring ownership of such materials.

8. STUDENT AND FACULTY PARTICIPATION

Participation in the initiatives shall be based on the requirements of the respective program and the arrangements mutually agreed between the Parties.

The Parties shall endeavour to ensure that the programs are conducted in an inclusive, engaging and learning-oriented environment.

9. CONFIDENTIALITY

The Parties shall endeavour to maintain confidentiality of any information shared with them by the other Party which is identified as confidential or which reasonably ought to be understood as confidential.

The Parties shall use such information only for the purpose of carrying out the activities contemplated under this MoU.

10. USE OF NAME AND LOGO

Neither Party shall use the name, logo, trademark or other branding of the other Party for any public communication or promotional activity without obtaining prior consent from the other Party.

Any joint communication relating to the initiatives may be undertaken with the mutual consent of the Parties.

11. NATURE OF THE MoU

This MoU represents the mutual understanding and intention of the Parties to collaborate for the initiatives mentioned herein.

The Parties acknowledge that the collaboration is intended to be academic, educational and knowledge-oriented in nature and is not entered into for any commercial purpose.

Nothing in this MoU shall be construed as creating a partnership, joint venture, agency or employment relationship between the Parties.

12. TERM AND REVIEW

This MoU shall remain in effect for a period of 02 years from the Effective Date.

The Parties may mutually review the collaboration from time to time and may expand the areas of collaboration based on their respective requirements and interests.

13. TERMINATION

Either Party may discontinue its participation in this MoU by providing reasonable prior written intimation to the other Party.

The Parties shall endeavour to complete any activity already mutually agreed upon and scheduled before the date of such discontinuation, wherever reasonably possible.

14. AMENDMENT

The Parties may mutually agree to modify or expand the areas of collaboration under this MoU from time to time.

Any such modification may be recorded in writing and agreed upon by the authorised representatives of both Parties.

15. GOOD FAITH

The Parties agree to work together in good faith and in the spirit of mutual cooperation to achieve the objectives of this MoU and to create meaningful learning and career awareness opportunities for faculty members, students and parents.

IN WITNESS WHEREOF

The Parties have signed this MoU through their duly authorised representatives on the date mentioned above.
