EXTRA-CURRICULAR ACTIVITIES COMMITTEE (PROPOSED)

1. About the Extra-Curricular Activities Committee

The Extra-Curricular Activities Committee of JMF's Vande Mataram College of Arts, Commerce & Science is constituted to promote the holistic development of students by encouraging their active participation in educational, creative, social, intellectual, leadership, and personality-development activities beyond the prescribed academic curriculum.

The committee provides opportunities for students to explore their interests, develop their talents, strengthen interpersonal skills, and gain practical experience through various extracurricular programmes, competitions, workshops, institutional events, and community-oriented initiatives.

It aims to foster creativity, innovation, teamwork, leadership, communication skills, discipline, social responsibility, and self-confidence among students.

The committee works in coordination with academic departments, the Student Council, Cultural Committee, Sports & Gym Committee, NSS Unit, Career Guidance & Placement Cell, and other institutional bodies to encourage meaningful student engagement and balanced personality development.

Through systematic planning, effective coordination, inclusive participation, and continuous evaluation, the committee strives to create a vibrant and student-centred campus environment that complements academic learning and prepares students for personal, professional, and social responsibilities.

2. Objectives of the Extra-Curricular Activities Committee

1. To promote holistic personality development through active student participation in extracurricular activities.
2. To identify, encourage, and nurture students' creative, intellectual, organisational, and leadership abilities.
3. To provide opportunities for students to develop communication, teamwork, confidence, and problem-solving skills.
4. To organise extracurricular competitions, workshops, educational programmes, and student-development activities.

5. To encourage student participation in intercollegiate, university, district, state, and national-level events.
6. To promote innovation, creativity, critical thinking, and independent decision-making.
7. To develop leadership, discipline, cooperation, ethical conduct, and social responsibility.
8. To encourage inclusive participation among students from different academic programmes and backgrounds.
9. To facilitate coordination among institutional committees for extracurricular development.
10. To promote awareness of community engagement, environmental responsibility, and civic values.
11. To recognise and appreciate students' achievements in extracurricular activities.
12. To maintain systematic documentation of extracurricular programmes and student participation.
13. To strengthen institutional engagement, student satisfaction, and campus life.
14. To support the development of employability skills and professional competencies through experiential activities.

3. Proposed Composition of the Extra-Curricular Activities Committee

The committee shall comprise members appointed by the competent institutional authority, with appropriate representation from academic departments and student-development activities.

Sr. No.	Name of Member	Committee Designation	Contact Details
1	Dr. R. N. Nadar	Chairperson	rnnadar@gmail.com

5. Institutional Commitment

JMF's Vande Mataram College of Arts, Commerce & Science recognises extracurricular activities as an integral component of holistic education and student development.

The Extra-Curricular Activities Committee is committed to providing meaningful opportunities for students to discover their talents, explore their interests, develop professional and interpersonal skills, and participate actively in institutional and community activities.

Through systematic planning, creative programmes, leadership initiatives, student engagement, and collaborative institutional efforts, the committee strives to develop confident, responsible, innovative, and socially aware individuals.

The institution remains committed to fostering an inclusive and dynamic campus environment that encourages academic achievement, creativity, teamwork, leadership, and lifelong learning.

"Beyond Academics – Inspiring Talent, Leadership and Holistic Development."
