VANDE MATARAM DEGREE COLLEGE DOMBIVLI (W)

B. Laboratory Competence & Standards Modules:

1. Pharma Training (GMP, GLP)
2. ISO/IEC 17025:2017
3. Food Safety Training
4. Method Development & Verification

Responsibilities of EAPL:

- Provide structured internship and training programs.
- Share technical expertise and laboratory guidance.
- Provide practical exposure to analytical instruments and testing procedures.
- Conduct expert sessions and demonstrations related to analytical testing.
- Issue certificates to students upon successful completion of training/internship.

Responsibilities of the College:

- Nominate eligible and interested students for training and internship programs.
- Ensure students follow laboratory safety protocols and discipline guidelines.
- Provide necessary academic support and coordination.
- Coordinate schedules and communication between both parties.

Confidentiality:

Both parties agree to maintain confidentiality of any proprietary information shared under this MoU and ensure that it is not disclosed to third parties.

This MOU shall be effective from the date of execution of these presents and shall remain valid until terminated by both the Parties with mutual consent or by either Party by giving 30 days prior notice for its intention to terminate this MOU.

Any modifications or additions to this MoU shall be made in writing and signed by authorized representatives of both parties.
